December 5th-9th is Michigamme's book fair. Students will have the opportunity to look at the books available for purchase. Parents are welcome to stop in and check out what's available, could be a good time to pick up some Christmas gifts.

Mrs. Tetreau's class was approached by the small business, Chris's Bunnies, to team up and fill stockings for soldiers who would not be home for Christmas. The Port Huron Recreation Department ran the program and Chris's Bunnies offered to pay for the Shipping and Handling of each stocking that was to be sent. The third graders worked very hard to fill and make Christmas Cards for the troops. What a great way to support our soldiers and what a fun writing activity to show appreciation for all they do. A huge thank you to all who donated!

Michigamme participated in the local radio station's Stuff the Bus campaign with the Salvation Army, from November 16th – 30th. You can see from the pictures below our donation box was filled to overflowing. Thank you to everyone who was able to donate to this wonderful cause.

Celebrating our student's special days with them is something we love to do, but we ask that you would please make arrangements with your child's teacher so that it doesn't interrupt student learning. We cannot allow parents into the classroom during the school day but the office staff is happy to get your child's treat to the classroom for you. Thanks for your understanding.

Skyward Family Access is a great way to keep track of your student's progress. If you do not know your Skyward ID or Password, please contact the office and we can help you retrieve that information.

For information that is relevant for parents/students to know about Severe Weather, please check out this link which is currently posted on the district website through this link: http://www.phasd.us/parents/school_safety
